A MESSAGE FROM THE DIRECTOR

In 2007, I identified a gap in the market for high-quality, natural-looking hair extension services, leading to the founding of Emilly Hadrill Hair & Extensions.

For over 16 years, our commitment to providing premium hair extensions across our four salons has been unwavering.

Following the establishment of Emilly Hadrill Hair & Extensions, I encountered challenges in finding a supplier consistently meeting my standards.

This prompted me to invest time in sourcing specific products, resulting in the creation of Jadore Hair Supplies—a premium supplier of hair extensions, safe hair care, and accessories.

Today, our salons proudly stock our top-of-the-line range, establishing Jadore as one of Australia's most trusted suppliers for like-minded salons across the industry.

Join us in setting new standards of excellence and reliability in the world of hair extensions.

After an extensive search for the perfect extensions to suit not only my clientele but also my creative work, we came across Jadore and could not be happier.

They are thick all the way to the ends, allowing me to create the lush, glamorous looks our clients live for, whilst giving them a high quality, lasting product. Jadore gives me a fantastic base for my editorial work, allowing me to add colour, texture and drama to my signature styling.

JAYE EDWARDS

INTERNATIONAL COLOUR ICON,
EDUCATOR & INFLUENCER

Working with leading hair extension brand Jadore has been a game changer for me.

I love experimenting with colouring extensions and producing educational techniques on how to break the rules in the right way, demonstrating that you can colour extensions if done correctly.

This allows me to create dimensional looks and educate others on colouring extensions the right way.

BROOKE CACCAMO

HAIR BY BROOKE C

Firstly, let me start off by saying the ladies in the office are amazing to deal with, they always go above and beyond to help or attend to their customers' needs. The Jadore product line is premium quality and is the reason I've consistently been using their hair range for 8 years in the salon.

With premium hair that is double-drawn, and thick from top to bottom, all my clients are left satisfied. Jadore as a business, including their customer service and products is amazing and I couldn't speak more highly of them.
